**WHY PARTNER WITH ASAIO?**

Exhibiting at ASAIO provides a way to increase your visibility at the Conference.

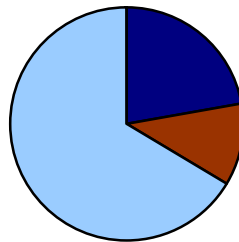

- Market directly to your demographic
- Build valuable professional relationships with the experts
- Interact directly with researchers, laboratory professionals, physicians, regulatory specialists and business leaders practicing across a large spectrum
- Be involved in a conference with programming by leaders in new techniques and technology
- Highlight your company's products in relation to ASAIO's scientific programming
- Exhibiting Company logos and links will be on ASAIO's website from Application receipt through June 30, 2011
- Gain further company visibility through a variety of Sponsorship Opportunities described at [www.asaio.com](http://www.asaio.com)

To Maximize traffic to your booth, all Poster Sessions will be located in the Exhibit Hall.  
There will be Refreshment Breaks in the Exhibit area in the morning and afternoon.
